PAT. NO.	Title
1 6,773,740	Method for preparing cheese products and process cheese bases
2 6,669,978	Method for preparing process cheese containing increased levels of whey protein
3 6,558,716	Process for incorporating whey protein into cheese
4 6,555,659	Process for isolating glycomacropeptide from dairy products with a phenylalanine impurity of 0.5% w/w
5 6,458,394	Process for the uniform coloration of cheese
6 6,419,975	Process for making caseinless cream cheese-like products
7 6,399,140	Whey salt powder, process for its production and its use
8 6,372,268	Wheyless process for production of natural mozzarella cheese
9 6,270,814	Incorporation of whey into process cheese
10 6,224,914	Process for incorporating whey proteins into cheese using transglutaminase
11 5,596,082	Process for isolating lactoferrin and lactoperoxidase from milk and milk products, and products obtained by such process
12 5,434,250	Process for manufacturing high .alpha.-lactalbumin content composition
13 5,413,804	Process for making whey-derived fat substitute product and products thereof
14 5,356,640	Process of making cheese by fermenting concentrated milk
15 5,356,639	Process for producing cheese containing substantially all the casein and whey proteins in milk
16 5,252,352	Process of preparing an extra lowfat spread
17 5,165,945	Cheese and process and system for making it
18 5,132,122	Process for producing a lactic acid drink
19 5,094,873	Process of making a non-fat natural cheese
20 4,919,943	Pasta filata-type cheese process
21 4,885,183	Method for controlling melting properties of process cheese
22 4,804,549	Particulate dog food palatability enhancer and process
23 4,716,045	Process for the manufacture of a dairy product
24 4,569,846	Process for preparing foods by lactic fermentation
25 4,518,616	Process for recovering the whey proteins, the application thereof to cheese-making and the resulting cheeses
26 4,485,040	Process for obtaining an .alpha.-lactalbumin enriched product from whey, and uses thereof
27 4,459,313	Method for making a process cheese analog

28 [4,411,991](#) [Process for fermentative production of amino acids](#)

29 [4,347,258](#) [Process for the preparation of a stable food product from lacteal components](#)

30 [4,251,567](#) [Process for producing a fibrous milk protein product](#)

31 [4,057,655](#) [Process for preparing a lactulose-containing powder for feed](#)
